Yeshivat Ohr David

Experience YOUR Life

Looking back at over three decades and over 900 alumni, the accomplishments of our Yeshiva are awe-inspiring. Many alumni became Rabbis and teachers, doctors and lawyers and are now outstanding leaders in their fields and communities. Their commitment to the Jewish community began with intensive Torah study at Yeshivat Ohr David. Join us and be part of the Ohr David family.

Rabbi Yosef Granofsky

058-4943720 תל

“Ohr David helped me focus my life, to find my own unique direction, and provided me with the tools to act and the skillset to use them”

"The Yeshiva's only goal is to help their talmidim grow. That's it. My Ohr David experience has given me a completely new perspective on life, my place in it, and how I want to live it."

Experience YOUR Life

"I'm much stronger in what I believe in. I'm more knowledgeable in what I want. I have an understanding how to get there and the desire to do these things"

"Normally, you want to keep your issues to yourself otherwise others may use your vulnerabilities against you. Not here. We support each other and love each other. The older guys lend their experience to the younger guys. We're all brothers here. We're part of a family. That means everyone helps everyone grow in a super honest, trusting environment. It's a culture that starts with the Rabbis and spreads to the entire student body. It's a culture of honesty and support. We are so open and caring with each other"

Ohr David Is... Connection.

To HaShem, to Torah, to Searching for Truth and Personal Growth, to Experiencing Life and Finding Yourself, to Rabbeim and friends, who become like brothers, and to Our Land, Israel.
